OUR VALUE PROPOSITION

What sets our firm apart is the longevity of our principals and senior analysts who have been collaborating on property analyses for over 36 years. Through developing our team relationships, our specialty appraisal practices have evolved to create high quality, industry-leading standards. Over this 35+ year relationship, our staff has evolved into specialty appraisal practices. Our staff members have extensive experience in appraising special purpose properties such as hotels, restaurants, commercial laundry facilities, cold storage facilities and government aided senior and affordable housing projects including LIHTC and HUD properties.

Jeffrey W. Fillmore, MAI, Senior Managing Director

Mr. Fillmore has over 31 years of appraisal experience. His experience includes a broad range of property types including commercial, industrial and residential properties. He has extensive experience in appraising special purpose properties such as hotels, restaurants, commercial laundry facilities, cold storage facilities and government aided senior and affordable housing projects. Jeff also has been engaged as an expert witness and regularly provides appraisal review services for a number of lender-clients. He also served as the Chair of the South Branch of the Northern California Chapter of the Appraisal Institute and the Chair of the Associates General Committee.

Kevin Ziegenmeyer, MAI, Managing Director

Mr. Ziegenmeyer began his career in real estate as a controller for a development corporation. In 1991 he transitioned into real estate appraisal, consulting on a variety of commercial property types throughout Northern California. In the late 1990s, he began developing state-wide expertise in appraising all forms of land. This led to a specialty appraisal practice for land-secured financing, for Assessment and Mello-Roos Community Facilities Districts. Kevin was one of five appraisers to collaborate with other professionals in developing the Appraisal Guidelines for the California Debt and Investment Advisory Commission. He also served the Appraisal Institute and appraisal community working as Treasurer, Vice President and eventually as the Sacramento-Sierra Chapter President.

Lance Jordan, MAI, Managing Director

With over 31 years of experience in the appraisal profession, Mr. Jordan has the expertise necessary to handle most complex assignments. He has specialized experience in Section 8 low-income housing, estate planning, gifting and estate tax valuation and is a member of IRR's Hotels Specialty Practice Group. Lance also has been engaged as a mediator and court appointed expert witness by Placer County Superior Courts. Over his career he has worked extensively with the local Chapter of the Appraisal Institute and received the chapter's President's Award in recognition of outstanding service in promotion of the Chapter's goals and support of the appraisal profession.

Eric Segal, MAI, Managing Director

Mr. Segal has over 23 years of appraisal experience. Eric is involved in appraisal assignments covering a wide variety of properties including office, retail, industrial, multifamily housing, master planned communities, and specializes in the appraisal of Mello-Roos Community Facilities Districts and Assessment Districts for land-secured municipal financings, as well as multifamily developments under the U.S. Department of Housing and Urban Development's Multifamily Accelerated Processing (MAP) Guide. Mr. Segal has the experience and background necessary to deal with complex assignments covering an array of property types, with a particular focus on urban redevelopment.

Nelson Wong, MAI, Managing Director

Since beginning his career in real estate in 2001, Mr. Wong has been writing narrative appraisal reports for a variety of properties. Today, he manages and trains research analysts and is also involved in appraisal assignments covering office, retail, industrial, apartments, subdivisions, land and special-purpose properties. He has also been involved in litigation support work and appraisals for bond-underwriting purposes relating to the formation of new Mello-Roos Community Facilities Districts and Assessment Districts. Mr. Wong has developed the experience and background necessary to deal with complex assignments covering an array of property types.
